GATE+ is a systematic, direct-instruction phonics program for beginning readers that can be used for classroom instruction in kindergarten and first grade or as an intervention for students in first through third grade. There are three levels of GATE+ (0.8, 1.3, and 1.8). The interactive lessons in each level teach all five essential components of reading (phonemic awareness, phonics, fluency, vocabulary, and comprehension). The lessons and instructional activities in GATE+ are research-based and aligned with the Science of Reading.
